MONITORS

There must at least one monitor for every bandmember.

1 monitor (if possible 2) for the singer/guitarist, 1 monitor for the bass-player and 1 monitor (if possible 2) for the drummer.

ARRIVAL

The band will arrive by van or cars. A direct access to the venue and some persons(staff) to help the band unload the stuff will be appreciated but is not necessary.

STAGE

One sound technician and one light technician can be there to help the crew.

SOUNDCHECK

The band would appreciate to reserve time for a soundcheck for a duration of about 1 hour.

BACKSTAGE

The promoter will provide a safety place where the band can leave all the materials, and a place to dress (backstage room).

ACCOMODATION

If the venue is too far away to drive back home to Luzern the same night we are happy if you could provide accommodation for the band.

If this is the case:

The promoter will provide a room or separate rooms for the band and the manager (4 pers.).

MISCELLANEOUS

Please inform us about the venue. The band must know in advance either the venue is made to play a fully energetic rock show or a calm-down set.

The artist will appreciate to have :

- 5 persons guest list
- a place with light and table for the merchandising
